Estimated Cost _____

Massachusetts State Building Code, Chapter 802 of the Acts of 1972 as amended, Section 113.1. Permit required. It shall be unlawful to construct, alter, repair, remove or demolish a structure; or to change the use or occupancy of a building or structure; or to install or alter any equipment for which, provision is made or the installation of which is regulated by this code, without first filing a written application with the building official and obtaining the required permit therefore.

Signature of Applicant _____

Note: Applications for permits shall be accompanied by approved plans of proposed construction drawn to scale and including plot plan and other information as the Building Inspector may require. If approved, one copy of plan and specs will be returned to the applicant.
